A discretionary 10% service charge will be added to your bill.

We work carefully with local producers, small farmers and makers who share our perspective on the planet. Grass-fed small herds for our butchers, organic or nil pesticide traditional methods in vegetables and gifts with a use, sustainably made.

All of the meat and dairy on the menu is available to purchase in the butchery and in-store, so pop over to the foodmarket to take some home with you today.
